# SPRINGLEIK FR. VÅGÅ

Taught by **Roo Lester** of Chicago, who is making a very rare appearance in the Pacific NW. Roo is nationally recognized as one of the finest teachers and dancers in the US with years of experience to share. This lively and delightful Norwegian dance is one of our very favorites. We're anxious for more dancers to catch on to it's unique spirit.

**Peter Michaelsen** of Seattle returns to provide music sure to make you want to dance for both the workshop and the evening event.

**Please pre-register. We will try to balance leads and follows. Space is limited!**
